Practical information

Accommodation

We recommend the following hotels easily reachable from the Part-Dieu Station, where the Rhone Express (tramway shuttle between the airport and Lyon city) stops:

- [Mercure Lyon Centre Charpennes](#)

To reach LIP premises: take tramway line **T1** direction **IUT Feyssine** or line **T4** direction **La Doua Gaston Berger** and stop in **Condorcet**. Cross the Boulevard du 11 Novembre and you will see the building Atrium in front of you.

- [Mercure Lyon Centre Brotteaux](#)

Walk 5 minutes to reach Charpennes or take the metro line B direction Charpennes and stop in Charpennes, which is the terminus. Then take the tramway line **T1** direction **IUT Feyssine** or the line **T4** direction **La Doua Gaston Berger** and stop in **Condorcet**. Cross the Boulevard du 11 Novembre and you will see the building Atrium in front of you.

And cheaper options, at walking distance from the meeting venue but farther from Part Dieu Station / Lyon City center:

- [Ibis Styles Lyon Villeurbanne Parc de la Tête d'Or](#)

Cross the Boulevard du 11 Novembre 1918, take on the left and follow the bike lane. You will see the building Atrium immediately after crossing the tramway rails.

- [Hotel des Congrès](#)

Head northwest on Pl. du Commandant Rivière toward Allée Julien Duvivier, turn right onto Allée. Julien Duvivier. Take the stairs, follow Av. Roberto Rossellini and then turn right onto boulevard du 11 Novembre 1918. Cross the boulevard, take Av. Pierre de Coubertin and immediately turn right into Bd André Latarjet. The building will be on your left.
